

Gender Sensitisation Workshops in villages of Haryana

Gender Sensitisation workshops were organised in four villages of Manesar, Haryana – Shikohpur, Naurangpur, Nakhdaula and Pathreri from 17th July to 23rd July 2018, under the Honda Unnati Aao Sawaren Apna Kal project. The project, initiated by DA and Honda Motorcycle and Scooter India Pvt. Ltd. aims to transform the lives of girls from being perceived as a liability, to becoming leaders of change. The theme of the workshops was to develop basic understanding on gender, sex and gender roles and family planning. The participants were adolescent young girls and women up to the age of 40 years. Nibedita Phukan (Senior Manager, DA), took the sessions. About 173 women participated in the workshops.
