

Health Camp in Shivpuri District, Madhya Pradesh

Health awareness and check-up camps were organised on 4th and 25th February 2019 in Shivpuri District, Madhya Pradesh. The health camp was organised specially for the tribal population residing in Chirvai, Devkheda and Mohari villages of Shivpuri district. This initiative was conducted under the Tribal Development Fund, NABARD. More than 200 people participated in the camp; wherein the doctors not only did a basic check-up, but also created awareness on importance of a pure clean drinking water and a healthy nutritious diet. The doctors stressed on giving proper nutritious diet to their children and help remove the problem of malnutrition from the rural areas.
