

### DA's sustainable building products exhibited at UN-Habitat Assembly

**D**evelopment Alternatives showcased sustainable building material products at the first UN-Habitat Assembly held in Nairobi, Kenya from 27<sup>th</sup> to 31<sup>st</sup> May, 2019.

Products related to construction technology, rural housing and habitat capacity building were displayed at the side event during the UN-Habitat Assembly. It showcased the initiatives, innovations, and efforts in making cities more sustainable; with a focus on the housing sector.

The purpose of the exhibition was to bring partners together and contribute towards a strengthened UN-Habitat role in the housing sector with the focus on sustainability.
