

A person wearing a blue shirt is working on a circuit board. A glowing light bulb is visible in the background, and the person's hand is holding a component. The scene is dimly lit, with the light from the bulb illuminating the work area.

JOBS WE CREATE

THE POWER OF ENTREPRENEURSHIP

The Work 4 Progress program of “la Caixa” Banking Foundation aims to promote employment for women and young people facing difficulties in accessing the labour market in the most vulnerable and excluded sectors. Development Alternatives is the lead partner for W4P in India. The program aims to expand economic opportunities for youth and women that have difficulties in accessing enterprise development solutions in economically backward regions. The program emphasizes prototyping innovations through co-creation and collaborative learning to accelerate enterprise solutions for large scale impact.
